

BREAKFAST CLUB & KASC SESSIONS 2024/25

There have been a lot of requests for both Breakfast Club and KASC sessions for *next* year 2024/25. We will be contacting everyone later in the term to ask for individual confirmation of which sessions they want and to renew their contracts for next year. At the moment we have assumed that everyone will want the same sessions next year as they have this year, unless they have already told us something different. If there will be any changes you know about please let us know - no need to let us know at this stage if sessions are staying the same.

CHILD PROTECTION AND SAFEGUARDING POLICY SUMMARY

Please take a moment to read the updated summary statement attached.

TAX FREE CHILDCARE

Do take the time to check if you can take advantage of the tax free childcare system - it can make a considerable saving when paying fees:

www.childcarechoices.gov.uk
www.gov.uk/childcare-calculator

ALLERGIES

We are a nut-free setting - this includes peanuts as well as tree nuts of all kinds. Nut allergy is one of the few that can affect people through air transmission, so we aim to avoid nuts completely. Let us know of any allergic reactions, even if you're not sure what caused them.

HALF TERM

Remember next week is half term - have a lovely time and see you again w/c 19 February!

INTERNET SAFETY DAY - 06 FEBRUARY 2024

Top tips from Warwickshire County Council:

- Set up an account for each user on your PC at home, make yourself the administrator and password protect each user. You can do this in the 'control panel'
- Add a screen saver protected by a password so that if you leave your PC for 5 minutes you will have to enter a password. You can do this in the 'control panel'
- Encourage children to use devices in a public part of the house, not their bedroom
- Use the family settings on games consoles.
- Set your favourite search engine to do 'safe searches', making sure that a search returns content suitable for all ages; eg for Google, click on search settings on the homepage and then enable moderate or strict filtering
- Discuss and agree with your children your own family code for internet use and encourage them to tell you if they see or hear anything they don't understand or that makes them feel sad or worried
- Report any concerns to the police
